Celebrating 90 Years FIRST CREDIT UNION

#90DaysofGiving

Celebrate Youth Week 4/8 — 4/12

Every child dreams of their future — where they want to travel someday, what car they want to drive or maybe about what type of house they want to live in. Making dreams happen takes a clear vision and generally a savings plan. We're here to help!

This year's "The Future is Yours" Youth Week celebration encourages kids to envision how they want their financial future to look and how to save for it. Developing and practicing good financial habits at a young age can set a child up for a future full of financial success. Bring your kids to any branch during Youth Week to pick up financial education materials, giveaways, and snacks. :)

The Future is Yours. Whether you have a small savings goal or a large one, picturing and sharing it with others is a good way to stay on track. Learn more about saving and managing money when you visit **first**cu.net and click on LEARN.

Mad City Money is coming to First CU on Saturday, May 18th (10am - 1pm) and you're invited! This immersive 3-hour financial education experience is designed for young adults 14 to 18. Learn more, check out the Mad City Money video, or register to participate when you visit **first**cu.net - just click on COMMUNITY.
