College Scholarship Recipients

At First Credit Union we value higher education and financial literacy. So much so, that since 2007 we've awarded more than $37,000 funding 55 college scholarships and 5 youth financial education grants. Our college scholarship program and financial literacy grant programs are available exclusively to First Credit Union members. This year, we had the honor of awarding 5 scholarships to upcoming college freshman!

Congratulations and best wishes for continued success to this year's recipients! Applications for the 2022 College Scholarship and Youth Financial Education Grant programs will be available at firstcu.net/community this August. The deadline for both programs is mid-February 2022 and recipients will be selected and notified in March 2022. Good luck!
