Call For Volunteers

Get Involved with YOUR Credit Union!

Want to get more involved with YOUR Credit Union? Do you have a willingness to serve the interests of your fellow First Credit Union members? If so, please consider this exciting opportunity. Become a volunteer. :)

As a member-owned, not-for-profit financial cooperative, First Credit Union relies on members to volunteer their time and talent to help set the overall course of the credit union. We need you!

Volunteers play a key role as the contributions they make impact the day-to-day operations, as well as shape the future of our credit union. First Credit Union's Board of Directors is currently seeking innovative, responsible, and knowledgeable volunteers to serve on our Board, various committees, and member advisory panels.

Many volunteer opportunities. In addition to the Board of Directors and Supervisory Committee, there are many other volunteer opportunities available to suit all levels of experience and interest. For example, from time to time there are special committees, panels and groups developed to take on various projects. This could be anything from a task force to develop or test new products & services to a focus group to gather input and share ideas about future credit union plans.

Yes, you're qualified! Are you at least 21 years old, have been a member for one year, and have a desire to contribute to First Credit Unions's current and future success? If so, please contact Heidi Kim for more information about volunteer opportunities by calling (480) 756.4575 or by sending an email message to Heidi.Kim@**first**cu.net.
