First Credit Union
Save to Win® Savings Promotion Raffle
OFFICIAL ACCOUNT AND PRIZE ENTRY RULES

The First Credit Union ("Credit Union") Save to Win® Savings Promotion Raffle ("Raffle") begins on January 1 and ends December 31 of the current year ("Raffle Period"). The following Official Account and Prize Entry Rules ("Official Rules") apply to all Raffle participants for all applicable Prize Drawings which include Central Prize Drawings and any applicable Credit Union Prize Drawings.

Who May Enter: The Raffle is open to all natural persons who, at the time of entry (a) are Credit Union members, (b) at least 18 years of age, (c) are residents of a state in which Prize Linked Savings is permitted, and (d) who maintain a regular share account in good standing with the Credit Union ("Eligible Members"). Where permissible under applicable state law a Trust may also be considered an Eligible Member for purposes of the Raffle. Officers, directors and employees of the participating Credit Union and/or their immediate family members (spouse; child), and/or other persons residing in the same household as such individuals are not eligible to participate in the Raffle. Some states may impose other eligibility requirements. Where applicable state law imposes other eligibility requirements, those eligibility requirements will control. Entries received from persons who do not meet the requirements of an Eligible Member will not be included in the Raffle.

Qualifying Save To Win Account: The Credit Union will establish a Qualifying Save To Win Account ("Qualifying Account"). A Qualifying Account may be either a share savings, share certificate or certificate of deposit depending on the account structure and offerings of the Credit Union, as determined by the Credit Union in its sole discretion. You are limited to having only one Qualifying Save to Win Account at each participating credit union. Rates and other terms and conditions of a Qualifying Account may vary among participating credit unions. Please refer to your credit union's account disclosures for other account details, any account limitations, and/or applicable fees. For Washington residents only, Eligible Qualifying Share Accounts are those that are opened in a branch, by mail, by phone or by remote registration.

How to Enter: To participate in the Raffle, Eligible Members must open a Qualifying Save To Win Account with the participating Credit Union during the Raffle Period ("Participating Member"). Refer to your Credit Union's account disclosures for any account details, account limitations and/or applicable fees.

How Raffle Entries work: Each Participating Member will receive Raffle entries automatically based upon the following:

- One (1) entry for every $25 increase in the monthly balance of the Qualifying Save To Win account at month's end.
- A maximum of one hundred (100) entries per month for each monthly Prize Drawing.
- A maximum of three hundred (300) entries for each quarterly Prize Drawing.
- A maximum of twelve hundred (1200) entries for each annual Prize Drawing (if applicable).

Automatic entries will be recorded by the Credit Union once the balance is calculated at month-end processing. Entries are calculated based on a month-over-month balance increase on the Save to Win member record, as reported by the credit union in the monthly data file each month. This means there must be an increase of at least $25 in the reported ending balance of the current month when compared to the reported ending balance of the previous month. If a Qualifying Account is closed and a new Qualifying Account is opened for any reason during the month, the month-end balance reported by the credit union in the previous month's data file will be used as the starting balance for the current month to calculate the month-over-month balance increase, which constitutes entries for the current month. If you qualify to open an account at different participating credit unions, you may open a Save To Win account at each credit union, however, you are limited to having only one Qualifying Save to Win Account at each participating credit union. You will earn entries at each institution independent of the other and subject to each individual credit union's rules, regulations and discretion. Qualifying deposits must be received and posted by the Credit Union by midnight Mountain Standard Time on the last day of each month. Automatic entries are eligible to win only during the Drawing Period in which they were submitted. For the purposes of these Official Rules, the Drawing Period shall be defined as the last day of each month for any applicable monthly drawings, the last day of each quarter for any applicable quarterly drawings, and the last day of each calendar year for any applicable annual drawings ("Drawing Period"). Other than making deposits as described in these Official Rules, no other action, and no other purchase or other consideration is required for an entry into a prize drawing.

A Participating Member is limited to winning one Central prize per Drawing Period. A Participating Member is limited to winning one Credit Union prize per Drawing Period, if applicable. A Participating Member is eligible to win both a Central prize and a Credit Union prize in the same Drawing Period. If the Qualifying Account is owned by more than one individual, the primary member under whose taxpayer identification number earnings on the account would be reported to the Internal Revenue Service should such reporting be required for the account shall be deemed the Participating Member and only the Participating Member shall be eligible to win a prize. All Participating Members are responsible for notifying the Credit Union of an address change. All transactions constituting Raffle entries must occur within a state in which the Raffle is permitted. The Credit Union shall confirm the Participating Member's eligibility by verifying identity, age and certifying that all transactions constituting Raffle entries occurred to a Qualifying Account held by the Credit Union, before the Participating Member can receive any prize. If the Credit Union is unable to verify eligibility for any reason within three (3) business days of notification that the Participating Member is a winner, the Participating Member shall forfeit the prize involved and the prize will be awarded to the first alternate winner, which may be from a different participating credit union. If a Participating Member is not an Eligible Member, such Participating Member will continue to be the accountholder of the Qualifying Account, but deposits to the account will not constitute qualifying Raffle entries.

Odds: Actual odds of winning are based upon the number of eligible entries received. Each eligible entry shall have a chance of winning that is equal to that of all other entries in each applicable Prize Drawing in the Raffle. Except for making deposits as described in these Official Rules, taking any other action, or purchasing any goods or services, will not increase the odds of winning.
